-- Background of the Invention--

-- 1. Field of the Invention --.

On page 1, please amend the paragraph beginning on line 3 as follows:

The present invention relates to the processing of text, such as word processing, for example.

2. Discussion of the Background Art

*AI  
cm, +*  
Automated word processing systems have been in existence for many years in various forms, and they have provided substantial advantages in relation to text processing activities. However, the functional capability of existing word processing systems is frequently incompatible, at least to some extent, with the thought processes and behaviour of people involved in the preparation and
